terminal portion of the term of the entire patent to be granted upon the above-referenced application subsequent to the expiration date of the patent expected to issue from U.S. Patent Application No. 10/657,243, provided that any patent granted on the above-referenced application shall be enforceable only for and during such period that it is commonly owned with the patent expected to issue from U.S. Patent Application No. 10/657,243.

The assignees referenced above do not disclaim any terminal part of any patent granted on the above-referenced application prior to the expiration date of the full statutory term of the patent expected to issue from U.S. Patent Application No. 10/657,243 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title as stated above. Assignees herein do not disclaim or otherwise affect any part of the patent expected to issue from U.S. Patent Application No. 10/657,243.

This disclaimer runs with any patent granted on the above-referenced application and is binding upon the grantee, its successors or assigns.

A check including the \$130 statutory disclaimer fee is enclosed. Please charge any additional fees, or make any credits, to Deposit Account No. 06-1050, referencing Attorney Docket No. 16406-005001.

Respectfully submitted,
